

2014 Holiday
Collection

Introducing the 2014 Intel Holiday Collection showcasing the latest and greatest technology for the holiday season. Whether it is an Intel-powered tablet, 2 in 1 device, portable All-in-One PC, Chromebook, phone, or one of the new watches, earbuds or bracelets, Intel is powering something for everyone this holiday season.

Tablets

Great tablets have Intel Inside®. Intel performance delivers lightning-fast Web browsing, long battery life, super-responsive apps and seamless downloads. Intel technology supports both Android and Windows, from high-end to entry-level price points and all kinds of different screen sizes. There is an Intel-tablet designed for you no matter what your needs and price range are.
